Dear Hamish,

Everyone at Victim Support would like to thank you for your brilliant talk on Stalking and Harassment at our Volunteers Evening, Monday 28th November 2005. We all found this very interesting and worthwhile. We feel very privileged to have had this opportunity, as we understand you are a very busy person. We would be pleased if you could come back in the future to give us another talk when we take on more volunteers, as this will be of great interest to them.

We do hope you will be able to attend our AGM and Christmas Party on the 16th December 2005, as it would be nice to see you again.

Thank you, once again Hamish

Claudine Straker
Assistant Co-ordinator
